

# Network Products, Inc.

*Serving MD, DC, VA, NC & SC*

*Complete Structured Cabling Infrastructure, Audio Visual, Power Protection & Back-up, Racks, Cabinets & Cooling Solutions for Data Centers, Enterprise & Campus Environments*

## Premise & Outside Plant Copper & Fiber Optic Cabling

- Premise Category UTP/FTP/STP & Multimode & Singlemode Fiber Optic Cable
- Outside Plant Copper, Fiber & Composite Cable
- Coaxial, DAS, Fire Alarm & Security Cable
- Power-over-Ethernet (PoE) Cables that Support Sustainable Intelligent Building Technologies
- Offering Sustainable Solutions that Contribute to LEED, WELL & Living Building Challenge Certifications

## Cabling Connectivity Solutions | Racks, Cabinets, Copper & Fiber Hardware

- Category Copper UTP & Shielded Termination Hardware Solutions
- Fiber Optic Solutions & Pre-Terminated Fiber & Copper Cable Assemblies
- Network/Server Cabinets, Equipment Racks & Cable Management
- Passive Air Flow Management, Aisle Containment Systems & Data Center Cooling Solutions
- Fiber Cable Trough & Ladder Style Cable Tray

## Fiber & Copper Patch Cords & Audio Visual Cabling Systems

- Audio Visual Systems & RapidRun® Pre-terminated AV Solutions
- Standard & Custom, Fiber & Copper Cabling Assemblies for Data & AV
- Direct Connect Patch Cords & 3rd Party Optical Transceivers (SFPs)

## Data/AV/Electrical Cable Pathway & Cable Management Solutions

- Conference Room Cabling Solutions
- Poke-Thru, Floor Boxes & Raised Floor Solutions
- Walkerduct In-Floor Systems
- Outdoor Power & Data Pathway Solutions

## Cable Tray Systems – Mesh & Solid Tray

- Wire Mesh Cable Tray
- Metal Cable Trough for Data Centers
- Under Floor Cable Tray Systems

## Integrated AV Systems, Support & Protection Products

- Racks, Enclosures, Projection Screens & Display Mounts
- Technical Furniture, Huddle Room & Meeting Spaces
- Cable & Connectivity, Power Adapters & Docking Stations
- Switches Designed to Handle Anything from a Small Conference Room to the Most Demanding AV-over-IP Installations
- Premium Video Conferencing Solution - PTZ Cameras, AV Bridges & AV Extensions & Camera Controllers

### P-Touch EDGE Series of Industrial Handheld Label Printers

- Longer Tapes & Print Labels • Faster & Easier to Apply
- Shortcut Keys + Serialization • Reduce Waste

Endot Industries, Inc.

### Smooth Wall & Corrugated Innerduct

- Smooth Wall HDPE Conduit 2, 3 & 4 Inch
- Split Duct, HDPE, Riser & Plenum Corrugated Innerduct

### Data Center Physical Security

- Cabinet / Rack Controlled Access Via InVue Smart Locks / IR OneKey (Power Transfer / Data Collection)
- Access Manager Software for Real Time Visibility, Audit Trail & Compliance
- Rapid Deployment, Scalable, Cost Effective & Retrofittable

### Flexible Fabric Multi-Cell Innerduct System

- Pathway Products that Maximize Space, Minimizes Costs, Durable & Easy to Use
- Standard, Detectable, Plenum & Riser

### Conduit Products

- Schedule 40 & 80 Electrical Conduit, P&C Duct, Split Duct, Multi-Gard, Bore-Gard, PV Mold, Intra-Gard, Telephone Duct & Conduit Elbows & Fittings

### Fire Protection Systems

- SpecSeal & Ez-Path Products for Fire Rated Walls—New Construction & Retrofit Applications
- Smoke & Acoustical Pathways Non-rated Floors, Ceilings & Walls

### UPS & PDU Power Protection & Data Center Cooling Solutions

- Basic, Metered, Monitored & Switched PDU's with Optional Environmental Monitoring
- FREE PowerAlert Power Management Software for Remote Monitoring & Management
- Portable & In-Row Cooling Solutions, Power Cords & Adjustable Height Workstations

### Digital Electricity™ | Modern Power Electronics & Digital Signal Processing

- Offers the Power & Distance Capability of AC but the Safety Characteristics of Data Cables
- Delivers Significantly More Power with Greater Distances than PoE or Class 2 Infrastructure While Using the Same Low-Voltage Wiring Practices

### Commercial-grade Solutions for Improving your Cell Signal Coverage

- Market Leader in Cellular Signal Booster Technology
- Offers Commercial, In-building Cellular Enhancement Solutions that are Well Suited for Virtually any Scope of Project; Ranging from 5,000 sq. ft. to 100,000+ sq. ft. in Coverage Area
- Works with All Cell Carriers

### Power Cords, PDU Whips, Power Distribution Systems & Micro ATS

- Z-LOCK is the Only Power Cord that Secures Both Ends Without Requiring Any Changes to Your PDUs
- Micro-ATS: World's Smallest & Most Efficient Automatic Transfer Switch
- NEMA & NEC Power Cords
