

# Network Products, Inc.

*Serving NC & SC*

*Complete Structured Cabling Infrastructure, Audio Visual, Power Protection & Back-up, Racks, Cabinets & Cooling Solutions for Data Centers, Enterprise & Campus Environments*

## **Cabling Connectivity Solutions - Racks, Cabinets, Copper & Fiber Hardware**

- Category Copper UTP & Shielded Termination Hardware Solutions
- Fiber Optic Solutions & Pre-Terminated Fiber & Copper Cable Assemblies
- Network/Server Cabinets, Equipment Racks & Cable Management
- Data Center Air Flow Management, Containment & Cooling Solutions
- Ladder Style Cable Tray

## **Fiber Patch Cords, Copper Patch Cords & Power Cords**

- Standard & Custom, Fiber & Copper Cabling Assemblies for Data, AV & Power
- Custom Packaging & Labeling Available
- Offshore, TAA Compliant & Domestic Made in USA options available

## **DAC Patch Cords & Optical Transceivers**

- GBIC, SFP, XENPAK, X2, XFP, SFP+, CWDM, DWDM, 10G Bidi, 10G/40G/100G Twinax, 40G QSFP+, CFP, CFP2, CFP4, 100G QSFP28 Optical Transceivers & Cables for Virtually Every Manufacturer of Networking Hardware
- Will Not Void the OEM Warranty
- Warranted Up to Limited Lifetime Depending on Product Type

## **Cable Pathway & Cable Management Solutions - Data/AV/Electrical**

- Conference Room Cabling Solutions
- Poke-Thru, Floor Boxes & Raised Floor Solutions
- Connectrac Over, Under & In-Carpet Cabling Solutions
- Outdoor Power & Data Pathway Solutions

## **J-Hook & Cable Tray Systems**

- Metal & Plastic J-Hook Cable Support Systems
- Wire Mesh & Solid Cable Tray
- Metal Cable Trough for Data Centers

## **Commercial AV Systems - Mounts, Screens, Cameras, Connectivity & Power**

- Audio Visual Racks, Enclosures, Projection Screens & Display Mounts
- Technical Furniture, Huddle Room & Meeting Spaces
- AV Cabling Connectivity, PoE Switches & Power Solutions
- Video Conferencing Solutions & Cameras
- Audio Visual Systems & RapidRun® Pre-terminated AV Solutions

## **Premise & Outside Plant Copper & Fiber Optic Cabling**

- Premise Category UTP/FTP/STP & Multimode & Singlemode Fiber Optic Cable
- Outside Plant Copper, Fiber & Composite Cable
- Coaxial, DAS, Fire Alarm & Security Cable

### P-Touch Line of Industrial Handheld Label Printers

- Longer Tapes per Cassette & Less Waste Saves Money
- WiFi Capability & Half Cut Feature Makes Labeling Faster & Easier

Endot Industries, Inc.

### Smooth Wall & Corrugated Innerduct

- Smooth Wall HDPE Conduit 2", 3" & 4" Inch
- Split Duct, HDPE, Riser & Plenum Corrugated Innerduct

tough security made easy

### Data Center Physical Security

- Cabinet Controlled Access Via InVue Smart Locks / IR OneKey (Power Transfer/Data Collection)
- Access Manager Software for Real Time Visibility, Audit Trail & Compliance
- Rapid Deployment, Scalable, Cost Effective, Retrofittable & No Need for Lock Power or Data

More Space. More Productivity.

### Flexible Fabric Multi-Cell Innerduct System

- Maximize Conduit Space, Durable & Easy to Use, Saves Installation Time & Money
- Standard, Detectable, Plenum & Riser

POWER PROTECTION

### UPS & PDU Power Protection & Data Center Cooling Solutions

- Basic, Metered, Monitored & Switched PDU's with Optional Environmental Monitoring
- FREE PowerAlert Power Management Software for Remote Monitoring & Management
- Portable & In-Row Cooling Solutions, Power Cords & Adjustable Height Workstations

Structured Solutions

### Power Cords, Power Distribution Systems, Micro ATS

- Z-LOCK Power Cord Secures Both Ends Without Requiring Any Changes to Your PDUs
- Micro-ATS: World's Smallest & Most Efficient Automatic Transfer Switch

### NC & SC TERRITORY ACCOUNT MANAGERS
